*LA Times 1-25-74*  
A. Parker Wraith, the only male on the five-member Los Angeles Board of Environmental Quality, resigned. In a letter to Mayor Tom Bradley, Wraith, vice president and general counsel of Occidental Life Insurance Co., said the unusual problems of organization, administration and prestige facing the commission had imposed an "unexpected and significant strain" on his ability to meet business and personal obligations. Wraith served on the board for approximately six months.
